The image shows a screenshot of a web application interface. At the top, there is a blue navigation bar with menu items: 'Customize', 'New', 'Open', 'Save', 'Share', 'Gallery', and 'More'. On the right side of this bar, there is a 'Hide' checkbox which is checked. The main content area is a large, light gray rectangle. In the center of this area is a large, colorful circular wheel composed of many thin, radiating lines, each containing a name. A white pop-up notification box is overlaid on the wheel. The notification has a yellow header with the text 'We have a winner!' and a close button (an 'x' icon). The main body of the notification is white and contains the name 'Maryann Lalowski'. At the bottom right of the notification, there are two buttons: 'Close' and 'Remove'. The bottom of the screenshot shows a Windows taskbar with several application icons: a red notification icon, a Chrome icon, a Microsoft Edge icon, a Word icon, a PDF icon, and a Zoom icon. In the bottom right corner of the taskbar, the system clock displays '12:49 PM' and '8/27/2024'.
